### LED Panel Accessories

To enable Fortimo and Certaflux LED panels to be used in a wider variety of indoor applications, a wide range of accessories can be used. By selecting these accessories the panels can be used as a pendant or surface mounted luminaire, or in different types of ceilings like plaster ceilings. The accessories can be used for both the Fortimo and Certaflux ranges.

#### Key features and benefits

- Pendant cable set for suspension applications
- Surface mounted kit and Surface mounted kit basic for surface mounted applications
- Recessed frame and recessed clips to be used in recessed applications like plaster ceilings
- Accessories can be used on both Fortimo and Certaflux LED panels
- See the application matrix to see which accessory can be used with which panel
